Explanation of Responses:

- These shares of common stock are represented by restricted stock units, which vest over a four-year period, with one-fourth (1/4) of the restricted stock units granted vesting on November 18, 2009, the first anniversary of the grant date, and the balance of the restricted stock units granted vesting ratably on a monthly basis over the following 36 months.
- These securities were issued as part of the Issuer's annual equity compensation to executive officers.
- These options are exercisable over a three-year period, with one-third (1/3) of the options granted vesting on November 18, 2009, the first anniversary of the grant date, and the balance of the options granted vesting ratably on a monthly basis over the following 24 months.

Remarks:

This Amendment on Form 4/A is being filed solely to disclose the previously granted restricted stock units (originally reported upon their grant in November 2008) as a Table I security, instead of disclosable as a Table II security as originally reported. There have been no changes to the terms of the restricted stock units.
